

'Forest Fuels' County Map

Baldwin County

1 inch = 9.3 miles

www.forestry.alabama.gov
AFC GIS (09/11/08)

The map displays the state of Alabama with various overlays. A legend at the top identifies symbols for Schools, Location of Fire Fighting Resources*, Hospitals, Public Lands, County Boundary, and www.forestry.alabama.gov AFC GIS (09/11/08). The legend also includes a detailed section for Forest Fuels, listing Forest with Grass (green), Southern Rough (red), Open with Grass (orange), Bottom Hardwood (blue), Pine / Hardwood Litter (light green), Agriculture (yellow), Urban (grey), Water (light blue), and Misc (black). Sources and notes are provided below the legend.
